

SECTION 48 PLANNING ACT 2008

Regulation 4 of The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009.

Notice publicising a proposed application for a Development Consent Order (“DCO”) to construct, operate, maintain and decommission a solar photovoltaic (PV) generating station, with a generating capacity of more than 50MW and associated infrastructure on land in Northamptonshire and Milton Keynes (Green Hill Solar Farm).

1. Notice is hereby given that Green Hill Solar Farm Limited (Company registration number 13362769) of Unit 25.7 Coda Studios, 189 Munster Road, London, England SW6 6AW (the Applicant), proposes to apply to the Secretary of State for Energy Security and Net Zero under section 37 of the Planning Act 2008 for a Development Consent Order for the Green Hill Solar Farm (the Application).
2. The Green Hill Solar Farm will cover a combined area of approximately 1,200 hectares and will consist of the following sites:
 - a. Green Hill A, A.2, B, C, D, E, F, G, and Green Hill BESS: eight solar array sites and a dedicated battery energy storage system site, located between Northampton, Wellingborough and Milton Keynes. The solar array sites will include solar panels, conversion units, inverters, and 132kV substations in Green Hill A, B, E, F and G and two 400kV substations in Green Hill C and Green Hill BESS.
 - b. A battery energy storage system located within Green Hill BESS. A second location for energy storage is also being considered at Green Hill C.
 - c. A cable route search area has been identified for the underground electricity cables connecting the Green Hill sites, substations and the energy storage system to the National Grid substation at Grendon; and
 - d. Associated infrastructure, mitigation and enhancement measures, and other ancillary works, for example, fencing, security, local grid connections, temporary access roads, permanent means of access, highway works, temporary works compounds and work sites.
3. The sites are located across several parishes and administrative areas:
 - Green Hill A and A.2 are located in the parishes of Old and Walgrave and in the administrative area of West Northamptonshire, approximately 600m south of Walgrave.
 - Green Hill B is located within the parish of Holcot and in the administrative area of West Northamptonshire, approximately 1.2km north of Moulton.
 - Green Hill C is located within parishes of Sywell and Mears Ashby and in the administrative area of North Northamptonshire, approximately 2km west of Wellingborough.
 - Green Hill D is located within the parish of Mears Ashby and in the administrative area of North Northamptonshire, approximately 2km west of Wellingborough.

- Green Hill E is located within the parishes of Mears Ashby and Wilby in the administrative area of North Northamptonshire, approximately 500m north of Earls Barton.
 - Green Hill F is located within the parishes of Easton Maudit and Bozeat in the administrative area of North Northamptonshire, approximately 300m west of the village of Bozeat.
 - Green Hill G is located within the parishes of Warrington and Lavendon in the administrative area of Milton Keynes, approximately 600m north of Lavendon.
 - Green Hill BESS is located within the parish of Grendon and in the administrative area of North Northamptonshire, approximately 600m north of Grendon.
4. The proposed DCO will, among other things, authorise:
- Construction, operation, maintenance and decommissioning of the solar PV electricity generating station and associated development including grid connection and energy storage facility;
 - Compulsory acquisition of land, including interests in land, rights over land and imposition of restrictions, powers to override, suspend or extinguish rights over land and powers for the temporary use of land;
 - The application, modification and/or disapplication of legislation including legislation relating to compulsory purchase and landlord and tenant; and
 - Such ancillary, incidental and consequential provisions, licenses, property rights, permits and consents as are necessary and/or convenient.
5. Green Hill Solar Farm is an Environmental Impact Assessment (EIA) development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. This means that the proposed works involved constitute development for which an EIA is required and the proposed application for a DCO will therefore be accompanied by an Environmental Statement. The Environmental Statement will provide a detailed description of the Green Hill Solar Farm and its likely significant environmental impacts. Information compiled so far about the Green Hill Solar Farm's likely significant environmental effects is set out for consultation in a Preliminary Environmental Information Report (the PEIR) and summarised in a Non-Technical Summary.
